

The ValueJet 426UF

Smart Printing Equals Value

UV-LED Printer

Mutoh's ValueJet 426UF tabletop, UV-LED, printer is the perfect fit for any print shop looking to expand its applications and enter the world of UV printing. The VJ 426UF prints on a variety of materials, including 3D objects, up to 2.75 inches thick, with Mutoh's 100% solid UV-LED ink. Print limitless promotional items including: pens, phone cases, golf balls, awards and much more. With up to six color capability, including white and varnish ink, and Smart Printing technologies, such as Intelligent Interweave print technique, virtually eliminating banding, the ValueJet 426UF is the ideal choice for any print shop.
